

**FOR IMMEDIATE RELEASE**

**Sobriety Checkpoint and Saturation Patrols Scheduled for the Month of June**

**May 29, 2025**— The Grant County Sheriff's Office will be conducting **Sobriety Checkpoint** and **Saturation Patrols** during the **month of June**, with enforcement activities taking place during peak travel times into late evening hours.

These efforts are part of the agency's ongoing commitment to reducing impaired driving and enhancing roadway safety. The **checkpoint and saturation patrols are intended to raise public awareness, deter impaired driving, and prevent alcohol- and drug-related crashes.**

Motorists may experience brief delays and are asked to cooperate with officers during these enforcement operations. The **Grant County Sheriff's Office** encourages all drivers to **plan ahead**—use a **designated driver, rideshare service, or public transportation** if they plan to consume alcohol or any substance that impairs driving ability.

Drunk driving is a choice, and can be preventable.
