Mimbres Studio Tour

Preview Reception: Friday, November 6th 5-7pm at the Guild Studio*

The Mimbres Valley in Southwest New Mexico is a magical place. On the edge of the Gila National Forest and on the Trail of the Mountain Spirits scenic byway, it is the home to many artists. This is a new and growing artist studio tour, sponsored by the Silver City Art Association, in its second year in 2026. All participants are members of the Silver City Art Association. The first weekend in November is a wonderful time to enjoy a drive through the country, visit artist's studios, and stop at one of the valley's three restaurants. The cottonwoods along the Mimbres river are golden, and the weather is perfect.
