

The Power of Two:

Plus Poets

Call it what you like, poetry on the fly or ekphrastic word play. It's what happens when poets gather at Light Art Space Gallery, view the Power of Two Collaborative exhibit, pen and perform their spontaneous words. Brought to you by Karen Hymer, owner, and Christina Nealson, Silver City Poet Laureate. Nudge your muse and come join the fun!

Participants: Christina Nealson, Poet Laureate Silver City/Grant County; Poet Laureate Emerita Heather Frankland, Beate Sigriddaughter, Elise Stuart; and community poets Shelly Barnett, Cheryl Howard, Doug Shelton, Lynn Zotalis
