Improving Safety and Traffic Flow

YOU'RE INVITED TO ATTEND OUR VIRTUAL PUBLIC MEETING

Thursday, August 6, 2020 • 6 p.m.

*Broadcasting on the Las Cruces Channel
 (Comcast/Xfinity Channel 98) and on Facebook*

La Calerita and the NMDOT invite you to attend and participate in our virtual public meeting for the I-25 University Avenue Project. At this meeting, we'll review what has been accomplished so far and preview what is planned for August. We will talk about anticipated traffic impacts and answer some of the questions we have received in the past. You will also be able to ask questions through our project Facebook page or the Las Cruces Channel's Facebook page.

We want to hear from you! Please submit your questions, comments or suggestions anytime through our project website, www.i25-university.com, and follow us on Facebook or Twitter.

We appreciate your patience during construction. We encourage you to use extra caution when traveling in the project area, watch for construction signs and obey lower posted speed limits.

If you have not already done so, you can sign up for free construction updates on our website.

Make plans to attend our public meeting on August 6!
 We hope you'll tune in.
